1 These estimated quantities are projected quantities and considered best estimates of current needs. However, DFAIT/CCC, in its sole discretion, reserve the right to increase actual quantities by up to 10%, or more with the agreement of the supplier, or decrease actual quantities by any or all amounts in the event of an award.

2 A waiver of duty from the Recipient will be sought. Therefore, we ask that all Proponents to price their Proposals without any import duty or taxes.

3 Total Price without import duty will be used for the purpose of evaluation as per the evaluation grid.

4 Due to Program funding requirements, the Canadian Government is only committed to the first year's supply of Ammunition. The Proponent has provided pricing for years two and three, and it is at the option of the Canadian Government to exercise this option.

*** Shipping/Transportation charges shall be inclusive of all charges and fees related to the transport of the goods, DAP in accordance with INCOTERMS 2010, to Kingston, Jamaica, including but not limited to packaging, any export fees, taxes and or permits required. All Proposals will be evaluated with the shipping charges included.
