Latest news: Presidential palace, British Embassy and other strategic points under attack as heavy fighting ongoing

KABUL, Apr. 15 – The recent reports from Kabul city say that martyrdom-seeking combatants of Islamic Emirate have taken different military and diplomatic points and buildings under attack in Wazir Akbar Khan area of Kabul city, targeting British and German embassies, Afghan parliament, Star and Serena Hotels and ISAF headquarter simultaneously.

Several other important military and diplomatic points including Presidential place, military bases of ISAF and other government buildings are under attack in Dar-ul-Aman, Wazir Akbar Khan and other strategic areas in the heart of Kabul city, Afghan capital. The explosions and gunfire have shaken the city, with Mujahideen keeping conducting bomb attacks, direct shooting and rocket attacks on the targets.

Similarly, Mujahideen have attacked several military posts and bases of the puppets and ISAF near PoLe-Charki Jail and heavy fighting is under way in the entire Kabul city. There is a state of confusion and the wave of attacks appear to have engulfed the entire city and the panicky people are running about in fear and uncertainty.

More updates on Paktia, Logar and Jalalabad:

There reports that Mujahideen of the Islamic Emirate, in ongoing countrywide operation, staking out positions in high points and tall buildings, have taken US-NATO invaders and their puppets military bases and posts together with, the department of mining and industry, department of NDS, (local spy agency) and Governor house under target, killing more than 6 enemy soldiers and wounding several dozen besides destroying military vehicles in the capital of Logar province.

The reports add that a number of martyrdom-seeking Mujahideen of the Islamic Emirate stormed the military Airfield, Police headquarter, and several other government buildings in Gadez city, the capital of Paktia province and flames are rising from several points and a bloody fighting is in progress in both Logar and Paktia provinces at the same time.

Separately, martyrdom-seeking Mujahideen of Islamic Emirate attacked the US-NATO bases and the US PRT base in Jalalabad city. Mujahideen, firstly, conducted car bomb attack on the PRT base, letting a number of Mujahideen combatants in where the Mujahideen fighters opened fire on the invaders inside and conducted yet more martyr attacks which flattened the base facility; the airbase of Jalalabad has come under attack during the fighting.

More updates will be available when more is known.
